Heartland Highlight

Featuring the community of:
Shani Livneh

Dear Friend of Israel,

I have always loved the importance that Israelis place on their children. They know that children are a blessing from the Lord and they view each of their many children as a gift from God. Wherever you go as you visit a community, you see children.

The community of Shani Livneh wants to insure that all children in their community have a deep understanding and appreciation for their heritage and their history. With that in mind, they want to build a brand new playground in the center of their community. This playground is not a luxury, but a necessity due to the many families with young children who live in Shani Livneh. The leadership of Shani Livneh have envisioned something unique and truly Israeli for their new playground. They want to incorporate the rich archeological findings from the surrounding hills into an inter-active exhibit for the children to experience and learn from as they are playing. They will be able to see the Bible come alive as they play among the artifacts from their ancient history.

This is a great project in the heart of Biblical Israel, one that will bring many hours of joy and laughter, but the people of Shani Livneh cannot do it alone. They need our help. They have reached out and asked their Christian Friends to help them complete this fun and unique project in the hills of Judea.

Shani-Livneh has always placed a high priority on their children. Today they need \$6,350 to build a place of enrichment and recreation for them. Your contribution to Shani-Livneh's playground will provide hours of great fun to the children of this wonderful community.

Visit Shani Livneh

The next time you are in Israel we can help arrange your visit to the community of Shani Livneh. You can see for yourself the artifacts that attest to the vibrant Jewish communities that thrived on these very same hills for centuries and you can experience the exuberance that emanates from the modern day pioneers who are making their homes in this promised land.

Help Shani Livneh

Your gift today will enable Shani Livneh to provide a brand new playground for their youngest members. This simple playground has the potential to become more than just a place to play. It comes with a dream to impart a Biblical heritage to the young lives who will be enriched by experiencing their history. Pray for Shani Livneh

During July we ask you to keep the people of Shani Livneh in your prayers.

1. May the children and youth of Shani Livneh become strong leaders as King David was in ancient Israel.
2. May any evil plans of the enemy be exposed and prevented.
3. May international leaders acknowledge Israel's claim to this land based on the ancient archeological artifacts that prove Jews have lived here for thousands of years.
4. May the people of Shani Livneh stand strong as they live out their God-ordained destiny to live in the hills of Judea.
5. May the streets of Shani Livneh be filled with joyful children.
